RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed on May 16, 2005, Applicants hereby provisionally elect, with traverse, to prosecute the claims of Group I (claims 1-12 and 15-24, drawn to a system/method for wireless communication between a cellular telephone and a landline telephone, classified in class 455, subclass 465) in the present application.

However, applicants respectfully traverse the restriction requirement since the subject matter of all of claims 1-24 is sufficiently related that a thorough and complete search for the subject matter of the elected claims would necessarily encompass a thorough and complete search for the subject matter of the non-elected claims. Accordingly, it is respectfully requested that the restriction requirement be withdrawn and that the present application be examined
